

PLR License

By using this product, you're giving a thumbs-up to my **"No Liability" policy**.

If that doesn't sit well with you, then this product isn't meant for you (no hard feelings).

Even if you skimmed (or skipped) this notice, once you use the product, you're still agreeing to it... kind of like downloading an app - the moment you tap 'install,' *you're saying yes to the fine print you didn't read.*

Some places have laws that don't let us limit liability or exclude certain damages. If that's the case where you live, those parts just don't apply to you.

No matter what happens, my liability will never be more than what you actually paid for this product (so if it was free, well... you get the idea).

By purchasing or downloading this PLR content, you're happily nodding along to the terms of this license.
